My Neighbors

"Ah—there's a cheery group with plenty of refreshments—Range East 46... North 62... Let's go!"

FDR'S YACHT... The Potomac, President Franklin D. Roosevelt's yacht during World War II, has been restored and is now berthed at the King Harbor Marina at Redondo Beach. The ship, restored at a cost of \$500,000, was found doing cargo work in the Caribbean Sea. It will be open to the public after Aug. 2, with a slight admission charge. The Potomac was host to many world leaders during FDR's presidency, and was the scene for the drafting of such documents as The Four Freedoms, the Atlantic Charter, and the Lend Lease Act.

Bandshell Program Set For Sunday

Torrance Park's bandshell will be alive with the sound of music this Sunday afternoon as the famed Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America makes an appearance.

The program is scheduled to begin at 11 a.m. Several groups from the chapter will participate in the program, including the South Bay Chorus, the Manhattaners, and the Coastliners. Both male and female groups will appear.

The SPEBSQSA was founded in 1939 and has grown to some 30,000 members in 600 national chapters. The South Bay Chapter, competing against 60 chapters in the western regional finals last year, was awarded first place.

The local chapter has appeared at numerous fund raising activities and other meetings of both civic and service groups. The program this Sunday will end about 3 p.m., with the appearance of the chorus slated for 2 p.m.

Wong Places in Design Contest

Karlin Wong, 13, of Torrance has won an honorable mention in the junior division of the annual Fisher Body Craftsman's Guild automobile design contest.
